

# Global Anesthesia Fellow

## Zambia Anaesthesia Development Program

**Starting February and August 2018**

- **2 Senior anaesthesia trainees who have finished, or close to the end of training.**
- **UK and non-UK international graduates invited to apply**
- **6 or 12 month posts**
- **Opportunities to engage in education or leadership/patient safety**

An opportunity for anaesthesia trainees to join a cross-cultural training experience which aims to promote anaesthetic development in Zambia. Highlights of the post include exposure to a varied and challenging clinical case mix; education experience including simulation-based teaching and educational resource development; leadership/patient safety including supporting systems changes to improve the quality of perioperative care in Zambia; and the opportunity for involvement in research projects.

We are currently seeking ongoing funding for the project with grant applications in progress.

The post has excellent support from UK based ZADP team and local faculty in Zambia.
