### Auberge Saint-Gabriel, Vieux Montreal

Located within easy walking distance, the CASIEF Dinner will be at Auberge Saint-Gabriel. Built in 1688 by a French soldier, it was the first “auberge” in North America to receive a liquor licence, on March 4, 1754. Over the years it has been a townhouse, housed the print for the newspaper Le Patriote, and was even a fur trading post. This location has witnessed the history of our nation and has now been transformed into a fine dining establishment renowned for its Quebec cuisine.

### Dr. Dan Poenaru - Guest Speaker

Dr. Poenaru is a Canadian pediatric surgeon who has dedicated his life to treating needy children throughout eastern Africa. Motivated “by the enormous needs of African children,” not only those of Kenya, but also the numerous Somali refugees entering the country, Dr Poenaru opened a surgical practice in Kijabe, Kenya. Throughout his career, he has treated patients through civil war and in refugee camps, exposing himself to tremendous personal risk. Dr Poenaru is the recipient of the 2014 Teasdale-Corti Humanitarian Award of the Royal College of Physicians and Surgeons of Canada and the 2015 ACS/Pfizer Surgical Humanitarianism Award of the American College of Surgeons.
